RN to BSN Online Program Pathway

The Ohio University School of Nursing RN to BSN program is designed especially for registered nurses (RNs) who want to further their education and advance their career by earning a Bachelor of Science in Nursing (BSN). The online RN to BSN program provides flexibility to earn a valuable degree through anytime anywhere learning.

- Start your RN to BSN courses regardless of how many prerequisites you have completed.
 - Review study materials and submit assignments online.
 - Learn from distinguished professors while having the daily support of an academic coach.
 - Complete each nursing course in only 5 weeks using our media-rich online learning system.
-
