Cuyahoga Community College – Ohio University Plan

Ohio University Bachelor of Science in Nursing (RN to BSN)
Tri-C Associate of Applied Science in Nursing (AAS) Graduation Pathway

The Ohio University School of Nursing RN to BSN program is designed especially for registered nurses (RNs) who want to further their education and advance their career by earning a Bachelor of Science in Nursing (BSN). We realize that nurses juggle multiple demands — career, family and classes — and carving out time to drive to campus and sit for a lecture can be a challenge. The online RN to BSN program provides flexibility to earn a valuable degree through anytime anywhere learning.

- Start your RN to BSN courses regardless of how many prerequisites you have completed.
- Review study materials and submit assignments online.
- Learn from distinguished professors while having the daily support of an academic coach.
- Complete each nursing course in only 5 weeks using our media-rich online learning system.

Admission Requirements

- Applicants must be a graduate of an approved program (or its equivalent) that prepares individuals to sit for the registered nurse licensing exam (NCLEX-RN) and be a resident of one of the Ohio University authorized states. Check undergraduate admissions website or call the School of Nursing for a list of current approved states.
- Students must have completed the equivalent of ENG 1510 to be admitted to the major. Otherwise, students will be reviewed for the pre-major
- Combined 2.0 GPA from all prior college-level coursework.
- Official transcripts sent directly to Ohio University from all colleges and universities you have attended.

Financial Aid Information
Once a student has earned the Associate of Applied Science in Nursing (AAS), additional courses taken at Tri-C may not be eligible for Tri-C financial aid. In order to receive financial aid for the online bachelor's degree completion program with dual enrollment at Tri-C and Ohio University, you must complete the consortium agreement policy and form, and follow the instructions for submission. The current policy and form, as well as deadlines for submitting the documents, are available on OHIO's Office of Student Financial Aid and Scholarships website.

Bachelor of Science in Nursing (RN to BSN) Degree Completion Requirements

To earn the Bachelor of Science in Nursing degree, a student must complete all Ohio University graduation requirements: general education, college, major, and residency. Students must fulfill all BRICKS requirements, earn a minimum of 30 semester hours of Ohio University credit, complete a minimum of 50% of the nursing course requirements at Ohio University, and complete a minimum of 120 total semester hours for graduation (elective hours may be required). Students are responsible for tracking their degree completion on their DARS, and are encouraged to work with an Ohio University academic advisor in their degree planning.

OHIO BRICKS General Education Requirements

BRICKS is Ohio University's general education program, and requirements must be fulfilled by all baccalaureate degree students. BRICKS includes a minimum of 38 credit hours across five categories: Foundations, Pillars, Arches, Bridges, and Capstone. Courses used to satisfy BRICKS requirements may be completed through Tri-C or OHIO Online. The General Education equivalency guide lists Cuyahoga Community College courses that have direct course equivalencies at Ohio University which meet OHIO's BRICKS general education requirements. Required OHIO Nursing courses will complete Bridges requirements.

BRICKS and the Ohio Transfer 36: Students who complete the minimum requirements of the Ohio Transfer 36 (OT36, formerly the Ohio Transfer Module) prior to enrollment in a degree-seeking program at Ohio University will receive transfer credit equivalent to fulfilling Ohio University's BRICKS general education requirements in Foundations (excluding the Advanced Writing component), Pillars, and Arches. If you have not completed the OT36, your courses will be evaluated on a course-by-course basis and will apply toward general education requirements as appropriate.
